Clubs

At the department "State cadastres" operates the circle "Young cadastre", and today the department has 3 courses of bachelor's degree "Land Management and Land Cadastre". The participants of the round table will have access to 21 cadastral types included in the Unified system of state cadastres, their legal base, advanced technologies and software knowledge used in cadastral works. All professors and teachers of the department are attached to the members and the plan of the circle as well as the schedule of the seminars. According to the Schedule, classes for club members will be held on Fridays from 4:00 pm to 6:00 pm in building № 5 in room 202. Head of the State Cadastre Department, Associate Professor K. Rakhmonov, tel.: +998 (71) 237-09-68
