

A new delegation arrived in TIAME

Rector of Moscow State University of Geodesy and Cartography Nadezhda Rostislavovna Kamynina, vice-rector in Economics and Financial Studies Sergey Sergeevich Dymniy visited our Institute. The delegation was also accompanied by the chairman of the Davergeodezkadastr Committee Abdushukur Khamidovich Abdullaev, the head of the department of Remote Sensing, Geodesy and Cartography Ihtiyar Makhkambaevich Ergeshov, the head of the International Relations department Zilola Abdullaevna Abdugafurova. Rector of the institute U.Umurzakov opened the meeting, and a video about the Institute was released.

The head of the delegation Nadejda Rostislavovna said that she intends to open MSUGaC (MIIGAiK) branch in Tashkent. Rector prof. U.Umurzakov noted that for this purpose it is necessary to conduct a comprehensive and thorough study, including a comprehensive study of legal, organizational and economic factors. Rector of MSUGaC (MIIGAiK) Nadezhda Rostislavovna noted that she would visit again once more, having studied all of the above issues. Rector of the institute U.Umurzakov said that he was always ready to help.

After the meeting, the dean of the faculty of Land Resources Management Sh.Narbaev presented the faculty GIS and Geodesy laboratories, auditoriums and lecture halls. The guests were then taken to the Situation Center at EcoGIS. There he shared the scientific results obtained using the latest GIS and remote sensing technologies. In particular, detailed information on scientific results obtained in Syrdarya and Navoi using remote sensing and GIS technologies. The guests noted that they were very happy to visit our Institute and that further cooperation should be expanded.

Head of the Press Service of the Institute Rakhimboy Djumaniyazov
