

"Qizlarjon" club

Z.Khafizova, Assistant Chairman of Women's committee and O.Rozikulova, a member of the Women's committee held a regular meeting at the Faculty of Land Management to continue the work of "Qizlarjon" club. During the roundtable, the girls were involved in sewing in order to effectively organize their free time in addition to education and upbringing at the institute. For this purpose, additional information was provided on "Sewing" circle organized in SD No.3. This action can be considered as a preparation for "National costumes" competition.
