

Education through travelling

Travel is based on the journey and the knowledge and memorization of it. This feeling was dominated by a trip to Samarkand. On the 8th December , teachers and professors of the department of Higher Mathematics organized a trip to Samarkand on the occasion of "8 December - Constitution Day" and "Agricultural Workers Day". During the trip, Samarkand's pilgrimage visited the places of worship and the tomb of President Islam Karimov, the first President of Uzbekistan. Travel has attracted many visitors.

Report by F.Turayev, an assistant teacher of the department of Higher Mathematics
