

Employment

The bachelor's degree in the direction of the faculty is distributed to enterprises and organizations by specialty. The job fair was organized in February 2021 for graduates of the faculty. The fair was attended by departments, enterprises and organizations of the Ministry of Agriculture and Water Resources. Graduates of the faculty were mainly allocated to the system of the State Committee of the Republic of Uzbekistan "Ergeodezcadastre" and vocational colleges. A meeting of graduates in the direction of the faculties of education with the head of the institute in 2021 was organized on May 11, 2021. In the academic year, 55 students who graduated from a state scholarship, and 110 graduate students were awarded contracts and contracts were concluded in accordance with their contracts and company surveys.
